Pursuant to the rules passed by the Michigan Republican State Committee on August 13, 2011 each candidate will be awarded delegates in the following manner:

- 3 delegates per congressional district to the candidate that receives the most votes in that district
- 14 at-large delegates to be award proportionally to candidates that receive 15% or more of the statewide vote total.

Based on these rules, the delegate allotment of the Michigan Republican Party's 56 National Convention delegates is as follows:

Bachmann: 0
 Cain: 0
 Gingrich: 0
 Huntsman: 0
 Johnson: 0
 Karger: 0
 Paul: 0
 Perry: 0
 Roemer: 0
 Romney: 28
 Santorum: 28

As the Michigan Republican Presidential Primary was held February 28, 2012, the Michigan Republican Party is aware that the Republican National Committee may penalize the Michigan Republican Party for holding the primary prior to March 6, 2012. The penalty would reduce the Michigan Delegates at the Republican National Convention to 30 rather than the original 59 (56 elected and 3 uncommitted).

In anticipation of this penalty, the Michigan Republican Party Credentials Committee met on Saturday, February 4, 2012 for the purpose of deciding how to allocate 30 voting delegates from the 56 elected delegates.

The result of this meeting is as follows

For Each Congressional District delegates will be awarded as:

Delegate 1- Voting
Delegate 2- Voting
Delegate 3- Non-Voting

The Statewide At-Large delegates will be awarded as:

Delegate 1- Voting
Delegate 2- Voting
Delegate 3- Non-Voting
Delegate 4- Non-Voting

Delegate 9- Non-Voting
Delegate 10- Non-Voting
Delegate 11- Non-Voting
Delegate 12- Non-Voting
Delegate 13- Non-Voting
Delegate 14- Non-Voting

Candidates that receive 15% of the statewide vote total will be allocated delegates proportionally starting with the candidate who wins the majority of the statewide votes.

In light of the RNC penalty the delegate allocation is as follows:

Bachmann: 0 voting delegates and 0 non-voting delegates
