**Apportioned Delegation:** The authorized delegation strength of the district (elected delegates plus bonus delegates). The elected delegates are awarded proportionately among the districts from the 2,000 seats available based upon the total votes cast for Mitt Romney in the 2012 election in that district. The bonus delegates are all Republican incumbent members of the State Legislature and the Michigan Congressional delegation, Statewide Officeholders, the Republican National Committeeman and National Committeewoman from Michigan, and Michigan Republican Party Officers, who are bonus delegates from the district where such a person resides.

**Credentialed Delegation:** The number of delegates elected to that district's delegation from the several counties in the district (plus any bonus delegates). This may be less than the authorized delegation strength, but may not be greater, and is the number used for calculation of the Modified Unit Rule for that district.
