To Whom It May Concern:

I am an employee at General Disarray and am in the collective bargaining unit of American Federation Of Indentured Servants. By this letter, I am seeking to immediately and permanently exercise my rights under Michigan's right-to-work law, MCL 423.14(1). Therefore, I seek an immediate end to any union dues or agency fee withdrawals being made from my paycheck. I hereby revoke any dues authorization form previously signed; if the authorization cannot be revoked at this time, this letter is to serve as a revocation as soon as it is legally permissible.

To the extent that it is necessary to resign my union membership to effectuate my rights under MCL 423.14(1), this letter also serves as a resignation from the union and any of its affiliates.

Notify me immediately in writing if you are unable or unwilling to allow me to effectuate these rights, and provide me with the legal justification for that refusal.

Thank you for your assistance in this matter.

Sincerely,
Joseph Sixpack
